Install Simple Analytics on WIX

You can embed our script in WIX by adding a **New Tool**. On this page we will explain how to use this feature and help you installing the Simple Analytics script on WIX.

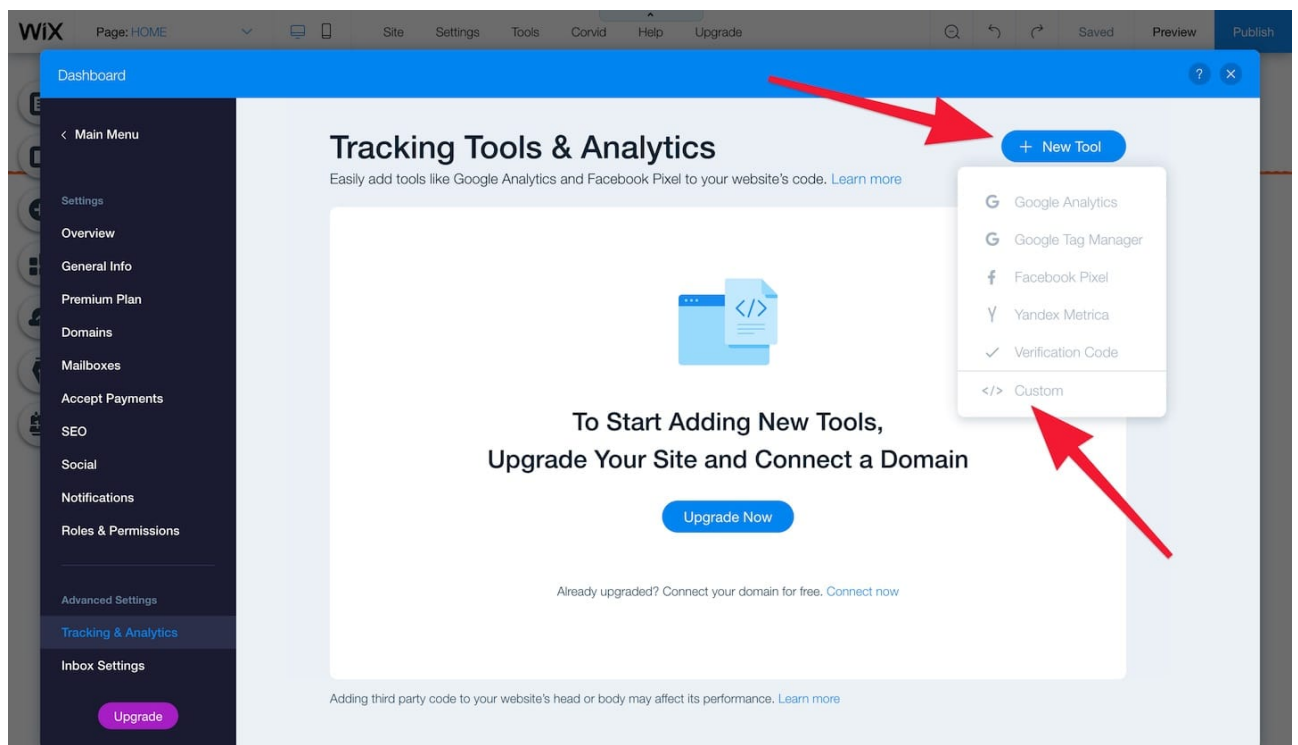

It's only possible for WIX sites with a connected domain a.k.a. paid plan

Follow these steps to add Simple Analytics to your website:

1. Go to [Settings in your site's dashboard](#).
2. Click the **Tracking & Analytics** menu item under **Settings**.

3. Click **+ New Tool** and select **Custom** from the dropdown.

4. Enter your custom code you can copy from [how to add our script](#).
5. Select the relevant domain. *Note: This option will appear only if you have multiple domains.*
6. Enter a name for your custom code: **Simple Analytics Script**.
7. Add Code to Pages: **Choose All Pages** and **Load code once**.
8. Place Code in: **Body - start**.
9. Click **Apply**.
