How to delete my account

It's very easy to delete your account. Go to your [account settings](#) and click the button "Delete your account".

What we will delete

- Your data (user, website visits) is deleted from our databases
- Your subscription is cancelled in Stripe
- Your credit card and email are deleted in Stripe

What we will keep

- Your payment history in Stripe (this is needed for taxes)
- If your data is part of our log files (in case of an error) it will be kept for 90 days
- We keep database backups for 90 days in case something went wrong
- We keep a [hash of your domain names](#) to prevent others from linking your domains to their account

If you have any questions feel free to contact us at [{{ site.email }}](#).
